EBA – An impact assessment for the Sugar Sector

Dear Reader,

We're afraid this study is no longer available to download freely. Nor are the Commission's two studies on EBA as follows:

Mr Fischler's study used to be available at

http://www.europa.eu.int/comm/commissioners/fischler/eba_en.pdf

Mr Lamy's study used to be available at http://www.europa.eu.int/comm/trade/pdf/eba_ias.pdf

Both are gone and now so is ours!

However, if you would like a copy of the ASSUC study on EBA sugar dated 25 January, 2001, please could you contact the Sugar Trader's Association of the UK and they will be happy to let you have a copy by email. You can find their details at <http://www.sugartraders.co.uk/>

With thanks for your interest in ASSUC's study on EBA,

Yours sincerely,

Webmaster
